*Thoughtfulness, Efficiency,
Helpfulness, Patience,
Tolerance*

These are just a few of the many attributes that a certain individual in our school has. She has improved an area of this school that is an invaluable aid to everyone. And although she may have banished many from her domain, at one time or another she has helped everyone in our school.

Because of this and her tolerance and patience with the students and staff, we the Rayder Staff of 1973 do hereby dedicate this book to our librarian of all seasons.

— Mrs. Joy Mudge —

GUEST SPEAKER: Mr. Thomas Bartley

As morning dawns we are ready to begin, open to new knowledge, experiences, and people. We reach out, searching for answers, seeking tomorrow, moving ahead to that something, somewhere in the future. In doing so we will have taken the first step toward finding the answers.

June 6th, 1973 — A warm but very memorable evening. There were speeches for prodding us on and making us think; about goals in the future and fond memories of the past. Seniors played with the band for the last time and came to realize all that Mr. Odmark had done for them. Finally, when the last strains of the traditional Alma Mater faded into silence, tears shone in many eyes as caps were thrown into the air and 110 thumbs went up. So left the Class of 1973 from the halls of C.H.S. to go on to other halls in many separate directions. Farewell and Good Luck!

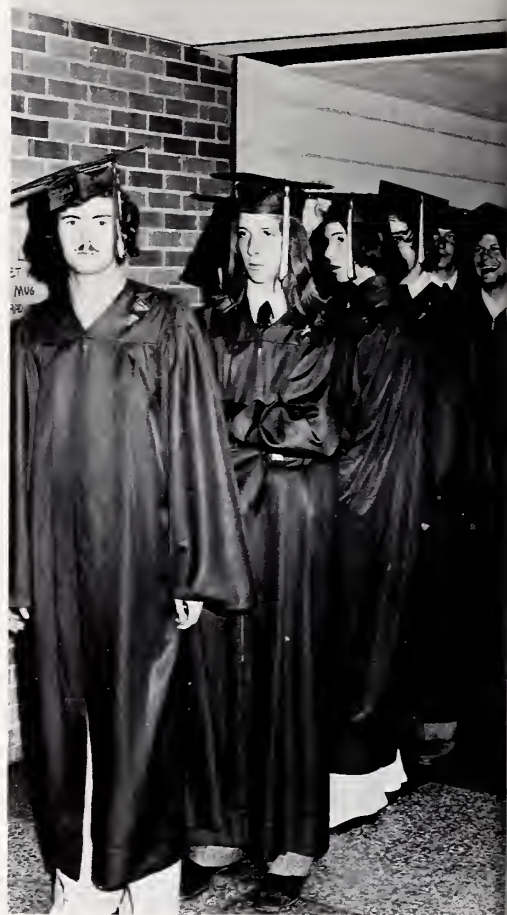

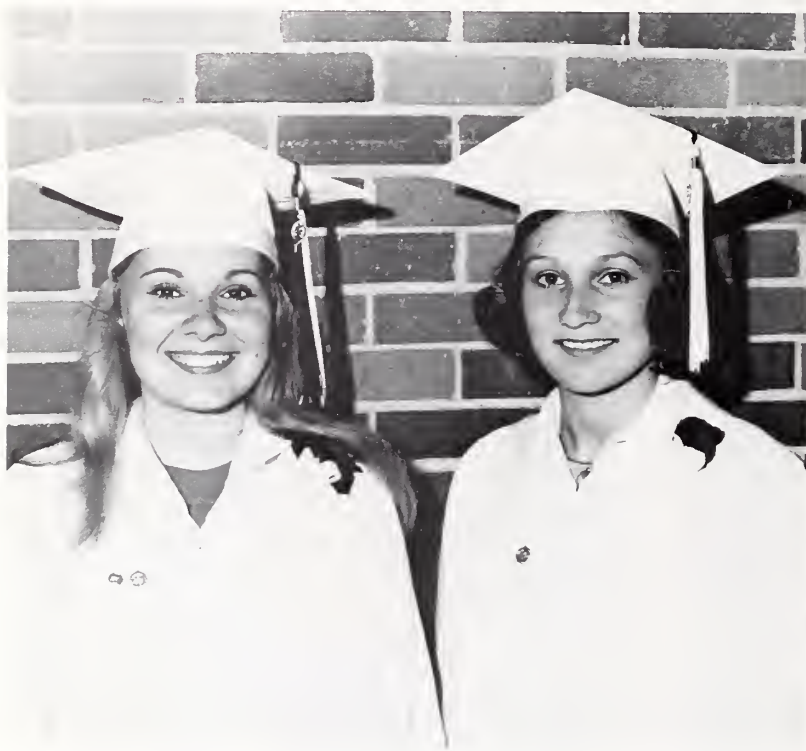

VALEDICTORIAN: Teresa Phelps

SALUTATORIAN: Wilson Boss

"Passing through the mind of memories that never shall be forgotten, Tomorrow we will always remember the friends we made yesterday."

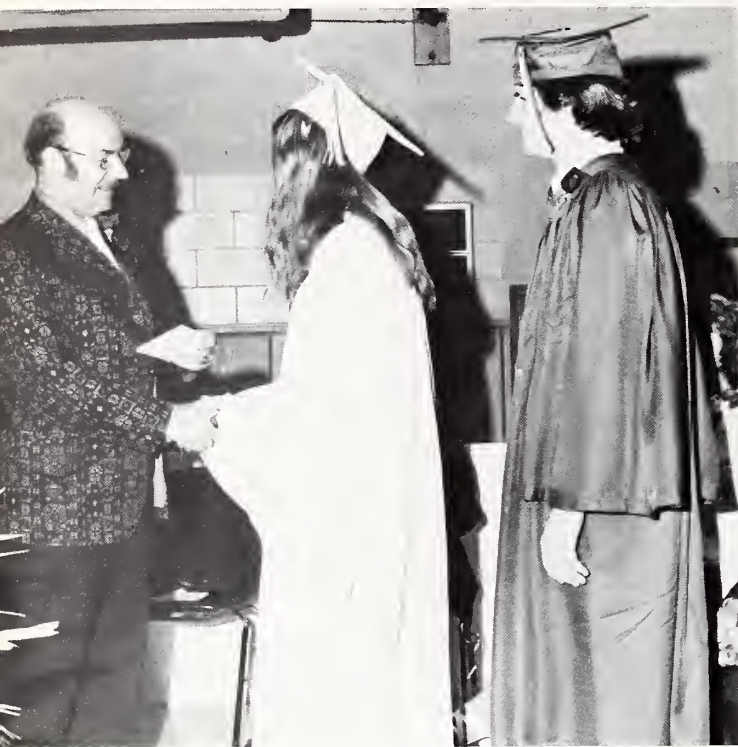

*"We came alone, just one; Last in a crowd of many . . .
and we became one."*

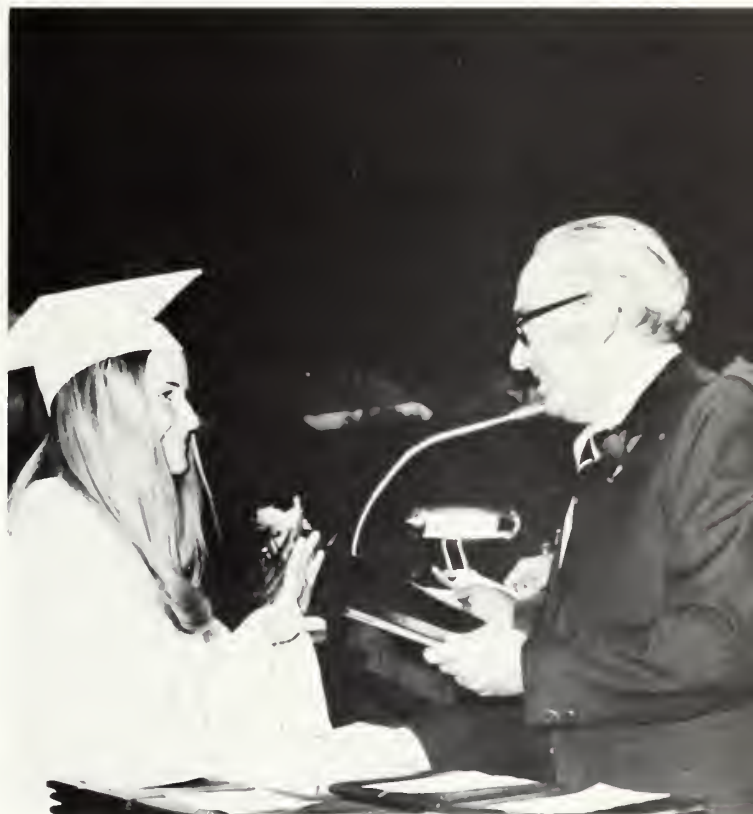

"If the day and night are such that you greet them with joy, if life is more immortal . . . that is your success!"

TOP TEN STUDENTS: David Graham, Steven Key, Wilson Boss, Laura Staublin, Cathy Begrow, Teresa Phelps, Janet Dinwiddie, William Wilson, Dennis Crain, Michael Works.

"And when the day breakes to you, you will find a new world awaiting to be reborn anew. So let the light shine in and out again, as it was . . . as it is . . . as it will be again."

The 1972-1973 school year.
There were good times
and then — there were the bad times.
Those boring days and weeks
and those — educating ones?
A fun-filled but bittersweet year
that had all the makings
of one that could *NEVER* be
forgotten — for . . .

This Is The Year That Was

This was the year that was for all Seniors hopefully the last year of high school and the beginning of a new life. It was the year of high hopes, some that were fulfilled, some that were lost in the confusion of too many activities or too few such as high hopes for a fantastic senior trip and settling for Cedar Point.

This was the year that found many Seniors voting and waiting for the golden age of 18, of course in which to register.

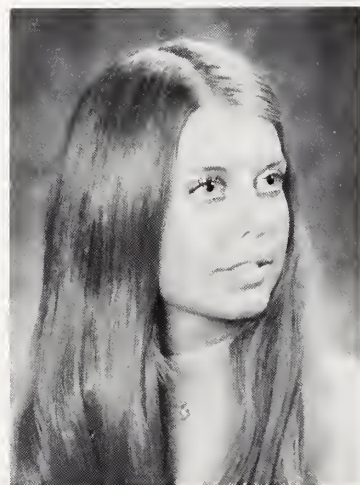

This was the year of hard work and frost-bitten hands and feet and the Xmas Tree Sale. Homecoming float, car wash, bake sales, pop and candy machines, the juke box, and the "Name the Feet" contest.

This was the year of changing. There is now an ex-officio on the School Board. We tried to abolish Baccalaureate, but in the age of communicating through what seems to be empty ceremonies, we proved that one needs a moment to express himself and his ideas to the community.

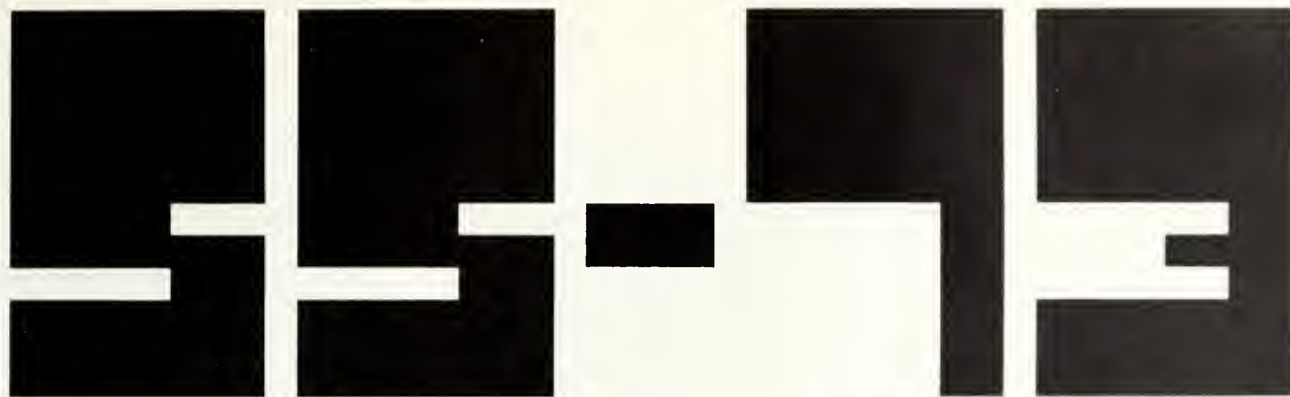

Looking forward, yet never forgetting where we have passed before. Looking ahead to something new . . . This Is The Year That Was . . .

Leading And Learning

Members of the 1973 Board of Education were: Mr. Richard Donaldson, president, Mrs. Jane Lieberman, vice-president, Mr. Clement Wagner, treasurer, Mr. Larry Warner, secretary, Rev. Duane Imig, trustee, Mr. Charles Elzinga, trustee, Mr. Donald Brown, trustee, and student representative Murphy Wallace. Leading us at "gut level" was our principal, Mr. Smith, with his secretary, Mrs. Grubaugh, and her assistants doing the dirty work. Then there was the man we all looked up to with real awe — the ever smiling Mr. Miller. Preparing us for the rough world were our Business and Vocational department consisting of Ms. Fassett, Mrs. Robinson, Ms. Odmark, Mr. Mills, and Mr. Anderson. Our counselors, Dr. Ratigan and Ms. Ashbury, were always there when we needed them.

PRINCIPAL: Vane Smith

OFFICE: Ms. J. Grubaugh, Kristie Kroush

SUPERINTENDENT: Robert Miller

BUSINESS AND VOCATIONAL: Ms. Fassett, Mrs. Robinson, Ms. Odmark, Mr. Mills, Mr. Anderson.

COUNSELORS: Ms. Ashbury and Dr. Ratigan

Always With A Smile

SCIENCE: Mr. Jensen, Mr. Morgan

Our Science department had another busy year preparing future biologists, chemists, and physicists for the scientific careers ahead of them. Ha-ha. A new area this year was headed by Ms. Langeland and Ms. Mort in the Learning Center. See you next year. Other vocational teachers helping students learn useful skills were Mr. F. Cook, Mr. B. Cook, and Mr. Jinsky. Rounding it off by adding strong bodies to our already sound minds were our Physical Education teachers, Ms. Osterberg and Mr. Probert. Thanks, everyone.

Ms. Mort

Ms. Langeland

We extend a special thanks to Mr. Robert Cook for his sincere dedication to all students in his years at Charlevoix High School.

Ms. Osterberg, Mr. Probert

Mr. F. Cook, Mr. R. Cook, Mr. Jinsky

It was a great year for auto mechanics, even with a girl in the class, but Mr. McLennon took it all in stride to produce a fine gang of would-be mechanics.

Our popular social science department contains Mr. Burge, Mr. Carey, and Mr. Green. They succeeded in filling young minds with many interesting facts.

Our immortal English department, composed of Mr. Robinson, Mrs. Kohn, Mrs. Novak, Ms. Gibelyou, Ms. Ryswick, and Ms. Ford, led many students through interesting novels, essays, and poems. Keep up the good work everyone!

AUTO MECHANICS: Mr.
McLennon

SOCIAL SCIENCES: Mr. Burge, Mr. Carey, Mr. Green.

ENGLISH AND LANGUAGES: Mr. Robinson, Mrs. Kohn, Mrs. Novak, Ms. Gibelyou, Ms. Ryswick, Ms. Ford.

On the cultural side Mr. Stutzman, Mr. Murray and Mr. Odmark taught to many, the enjoyment of the fine arts. In the Math department Mrs. Novak, Mr. Taylor, and Mr. Crook gave many grateful students a much-sought-after understanding of such formulas as Πr^2 among others. Eternal thanks go out to them. Our math professor Mr. Taylor poses with his always comprehending Advanced Math and Trig Class. I doubt if calculus brought on those smiles.

MUSIC AND ARTS: Mr. Stutzman, Mr. Murray, Mr. Odmark.

MATH: Mrs. Novak, Mr. Taylor, Mr. Crook.

LIBRARY: Ms. Bergmann, Ms. Mudge.

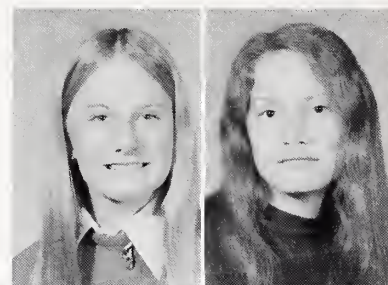

MATH: Mr. Taylor plus students

Honors To Students Gifts To Faculty

It took a lot of hard work to make it, and that's what's important. When you were working for it, really working hard, you weren't sure anything was worth that kind of work. But when the honors came, when you earned that award, you knew that all the trouble you went through to earn it was worth it. And you'd do it all again if you had to.

Another Year In Fall Sports

Last time for many, just a beginning for others. What did our guys do? In football they got on the field and sweat for the school while keeping a steady pace of down-ups. Our golfers were on the course puttin' those little white balls trying to make the hole for a higher score.

Cross Country was added to the growing list of fall sports this year. Every night they got out and ran up Mt. McSaubu, down Mt. McSaubu, around to Suicide, up Suicide, down the back, up the back, down the front hill, up the front hill, down the back and along the beach all the way home.

Now how's that for a little exercise each day?! This has been a hard season but well worth it.

The Winners' Winter Wonderland

This is the year that was, and what a year it was! Our victorious Ski team ended their snowy season with 6th place out of 17 schools for the boy's team and a 7th place for the girls in our region. Terri Morris qualified for the State Ski Meet. The Basketball season was filled with a lot of trying games, some wins and a lot of losses. The Wrestling team had a fantastic season sending two of its Varsity wrestlers, Pat Linse and Butch Klooster, down to compete in the State Finals. This is the second year for Girls' Basketball, which placed 4th in the Conference with Cheryl Pence as the highest scorer and Girls' Volleyball placed 2nd in their Conference. The past season was filled with excitement, victories, and a lot of work. Yes, this is the year that was . . .

Go!

The girls' basketball team had a great season with, well, not quite a great record. Tiring practices, and lots of fun helped make a great season. The ski team schussed through a great season with funfilled times that none of its members will forget. And our wrestling team gained more school support and pride than ever in another very successful season. C.H.S. was proud of them all!

A Year On The Go

While the rest of the school was bored with winter, the clubs in CHS were very busy, or kept busy.

The Debate/Forensics class was bringing money in for their odds and ends of activities while the student council slaved over selling light bulbs somewhat unsuccessfully. Campus Life won the Sweetheart contest for the 5th year in a row. The new Glee Club featured a "Night of Entertainment." Pep Club kept the school plastered with peppy posters and the cheerleaders cheered the school into high spirits. The Spanish Club added to the excitement with a "visita a Pedro da Vinci" skit at the pep meeting.

The flash staff kept the presses rolling while also being recruited by the Annual Staff to type copy. Everyone did their own thing, and had fun doing it.

Both bands blew in for high achievement this year. The Concert Band pulled straight 1's and the Symphony Band took straight 1's at District and an unbelievable straight 1's at State Competition.
